## Highlights

There will be no hiding it, so we might as well sing it aloud from the rooftops, that this could possibly be THE BEST CYCLE TOUR EVER designed!

Whoever said that cycle touring needed a theme was obviously sensory deprived - the wind in the hair, the sights to behold, the scents that abound as we experience the great outdoors. But a food & wine indulgence tour? That takes the experience to a whole new level.

Each day on this tour will bring another layer of luxury and indulgence as you explore the world-famous wine regions of the Clare Valley, Barossa Valley, Adelaide Hills and McLaren Vale. There will be tours and activities to nourish mind and soul, chef designed degustation experiences, sommelier matched wines, outstanding accommodation; the best of everything in this spectacular pocket of Australia, nay THE WORLD!

This tour is perfect for aficionados of exceptional food & wine and for those mortals among us (hello) who would like to get in on the ground floor to learn what all the fuss is about.

On top of all this, we're going to throw in a cycle tour for free! By riding the inspiring vistas of South Australia's 'God's Country', you've got a tour with just the right balance of pleasure and pain (i.e. a lot of pleasure and not much pain).

At 61km/day this tour is perfect for cyclists who want to challenge themselves while also enjoying the many delights that come after cycling is finished for the day.

You'll be looked after by the specialist in Australian multi-day bike tours who will make your cycling holiday a breeze, and you'll share it all with a small group of like-minded people. Come on your own, as a couple, or in a small group. Welcome to the South Australian Food & Wine Indulgence Tour.
